

Art-No.:	4010 0066	
Description:	CartClip® BluePad	
Date / Page:	04.01.2018 / 1 of 1	

CartClip® BluePad the universal transport holder for Hewlett Packard inkjet cartridges

In order to facilitate assembling of the BluePad the clip was equipped with optical guidelines.

These guidelines enable an accurate positioning of the BluePad and guarantee secure sealing even for latest generation of cartridge-models with higher number of nozzles, such as HP62.

Delivery of this new version will start beginning of 2018 and will replace former one.

CartClip® BluePad for use with Hewlett Packard
